NOT GOING TO SEEK FEDERAL AID ON DROUGHT

Hopes of a number of farmers that Adams County be classified as an emergency drought disaster area were dashed Friday when the Pennsylvania Drought Committee, while finding crop conditions serious, decided against seeking to have Pennsylvania listed as a drought emergency area.

Feelings of some Adams County farmers were expressed at a recent meeting of the Farmers Association when the board of directors of the county-wide group were directed to write the committee seeking to have the county made eligible for federal drought aid funds.

The state drought committee reached its decision after receiving reports of drought conditions in 32 eastern counties of the state which piled up a staggering loss of \$20,000,000. Adams County's loss has been estimated by County Farm Agent Frank S. Zettie as \$1,000,000.

Declaring the state a drought disaster area would have entitled farmers to buy surplus federal livestock feed at reduced prices.

Money Available
The committee noted in a statement that federal loans are available to farmers without declaring a drought emergency.

The text of the statement issued after a meeting of the committee headed by C. E. Cassell, committee for Pennsylvania:

"It is the opinion of the committee that present conditions in Pennsylvania are not such as to warrant the declaration of a major disaster by the President in accordance with public law 875.

"We realize the situation is serious and the committee will remain in existence to continue its studies. It will make further reports as changes in conditions warrant.

On Local Level

"The Federal Government through the Farmers Home Administration is aiding farmers in drought areas through livestock loan programs for producers unable to obtain credit from commercial sources. These special livestock loans are made under authority of Public Law 38. Operating loans also are available through the Farmers Home Administration.

"Farmers in need of this type of assistance should apply to the local County Farmers Home Administration office or consult the Agricultural Stabilization and Conservation office, or their local County Extension office for information.

Fairfield Lions Will Help Blind

The Fairfield Lions club members Tuesday evening will canvass the Fairfield area in an attempt to sell brooms, tea towels and furniture polish to raise money for the organization's sight conservation work in the section.

The Lions plan to begin their sale immediately after their regular Tuesday night meeting. They plan to make a house to house canvass, offering the articles for sale. In Fairfield, along all of the rural routes out of Fairfield and in Iron Springs, Greenstone, Orrtanna and Cashtown.

Articles to be sold by the Lions are made by sightless persons and thus the sale will benefit the blind twice, members of the club said. The makers of the articles will receive the pay for them and the profits will go to other blind or near blind persons in the Fairfield area through the club's sight conservation program.

Two Countians Going To Lehigh University

Two students from Adams County are among the 707 freshmen who have been accepted for admission to Lehigh University this fall. Dr. Charles A. Seidle, director of admissions, announced today.

The incoming class will come from 21 states, Mexico, Republic of Panama, Hawaii, Puerto Rico, Netherlands West Indies, Brazil, Venezuela, Korea and Japan and will include 32 veterans.

Freshman Week activities will begin on the campus Wednesday, September 15, giving the new students, who come from 367 high and preparatory schools, a week of orientation before registering Wednesday, September 22.

Students from this area are Frank A. Ehlman, Biglerville, a graduate of Biglerville High School, and Larry J. Feiser, Hanover R. 1, graduate of Littlestown High School.

Judge Will Speak At GOC Picnic

Judge W. C. Sheely and several directors of the Baltimore Filter Center will speak to county air observers attending a picnic at the South Mountain Fairground Thursday afternoon and evening.

The outing is sponsored by Adams County's four Ground Observation Corps stations at York Springs, Gettysburg, Fairfield and New Oxford.

Crosby N. Hartzell, chief county GOC supervisor, announced there will be games for young and old with prizes for contest winners. He asked participants to bring their own picnic basket. Supper will be between 6:30 and 7 p.m.

Four films connected with aircraft observer work will be shown following the speakers in the evening portion of the program.

MISS KEEFER TO WED J. H. HULL THIS AFTERNOON

Miss Patricia Anne Keefer, daughter of Mr. and Mrs. Glenn Keefer, McKnightstown, will become the bride of John H. Hull, son of Mr. and Mrs. Gilbert P. Hull, Hagerstown, this afternoon at 2:30 o'clock.

MISS KEEFER

In a double-ring ceremony to be performed in the Fiohn's Lutheran Church, McKnightstown. The Rev. Robert Scheibel, Orefield, Pa., former pastor of the bride, will be the officiating clergyman.

Miss Alma Moore, Hagerstown, the soloist, will be accompanied at the organ by David Bushman as she sings "Through the Years" and "Because" before the ceremony and "The Lord's Prayer" during the ceremony. The organist will play "Clair de Lune," "Ave Maria," "On Wings of Song," "I Love Thee," "Wedding Prayer" and "O Perfect Love" before the ceremony and will play Wagner's and Mendelssohn's wedding marches.

The bride, who will be given in marriage by her brother, Clair Keefer, will wear a white, strapless, waltz-length gown of ruffled rows of nylon tulle over satin. She will wear a bolero jacket designed with a Peter Pan collar and long sleeves buttoned at the wrists. Her Spanish finger-tip veil will be of Chantilly lace attached to a band of pleated nylon tulle embroidered with seed pearls. Her bouquet is a fan-shaped arrangement of white gladioli, stephanotis, white tea roses and ivy.

Former College Roommates

Mrs. Clair Keefer, McKnightstown, sister-in-law of the bride, will be the matron of honor. She will wear a yellow waltz-length gown of net over satin fashioned with a bodice of lace and net with a high neck ending in a Peter Pan collar. (Continued On Page 2)

Tennis Tournament Play To Resume

Play in the Gettysburg Recreation Association tennis tournament will resume Monday evening with Robert Albright and Ray Koehler slated to face Sidney Steinhour and James Gilbert in semifinal doubles matches. The winner will meet the team of Dick Heintzelman and Luther Sachs Jr. later in the week.

Semifinal singles competition Tuesday evening will pit Albright against Heintzelman, and Koehler against Rodney Steinhour. Rodney and his brother, Sidney, were tied at one set apiece Thursday evening when the match was halted by darkness. On Friday Rodney won the third and deciding set 6-3.

A singles champion also will be crowned next week. All matches will begin promptly at 6:30 o'clock.

Lead in the "ladder" singles tournament was taken over Friday by James Gilbert when he beat Hugh McIlheny in straight sets.

SELL PROPERTY

Elsie P. and Otis M. Hoover, of Aspers, sold their 28-acre farm, in Heidlersburg, Tyrone Twp., to Robert G. and Gladis A. Martin, of York Springs. Early possession will be given. The sale was made by John C. Bream and Son.

92 GUARDSMEN LEAVE TODAY FOR GAP CAMP

Ninety-two members of the local National Guard unit and their equipment moved out of Gettysburg this morning enroute for Indian-town Gap for the annual two weeks long summer training of the Guard.

Earliest to start were the crew of the big tank-gun of the Howitzer Company of the 104th Armored Cavalry's 2nd Battalion. Accompanied by a jeep, the tank-mounted howitzer clanked out of town shortly after six o'clock this morning.

The ponderous, slow moving, vehicle took to the road early in order not to hold back the remainder of the company which left here by jeep and truck at about 8 o'clock this morning bound for a rendezvous with the remainder of the 2nd Battalion and other units of the 104th at the Harvey Taylor Bridge, at Harrisburg.

To Form Convoy

There the 104th formed in convoy miles long to travel to Pennsylvania's Military Reservation at Indian-town Gap. At the encampment near Annville, 11,000 National Guardsmen from throughout the commonwealth will spend the next two weeks in intensive field exercises.

Members of the local company taking part in the exercises include the commanding officer, 1st Lt. Donald E. Doersom, 2nd Lt. Hobart E. Benchoff, Paul E. Blettner Jr., William K. Nace, Clair W. Settle and Robert E. Wentz; Master Sergeants James A. Noel and Gerald A. Rosenberry.

Sergeants First Class Thomas A. Carr, Robert E. Harner, William C. McCrorie, Donn W. Newman, Merle D. Shindeldecker; Sergeants Daniel Ball, William D. Boyd, Luther S. Hess Jr., Charles W. Moritz, James A. Orndorff, Irvin P. Plattenburg Jr., John E. Settle Jr., Wilbur C. (Continued on Page 3)

MART PRICES HOLD STEADY

Prices remained approximately the same this morning at the Farmers Market, with peaches present in larger abundance and with nearly all seasonal items in good supply.

Egg prices were up five cents a dozen, to 45 cents for mediums and 55 cents for large.

Tomatoes were generally 20 cents a quart box, \$1.50 a half bushel. On some stands, prices varied per box depending on size.

Peach prices varied from 20 to 25 cents a quart box, 35 to 40 cents a quarter peck, \$1 to \$1.50 a half bushel, depending on size and type.

Beans, Plums, Chickens

String beans, available in quantities, were selling generally at 20 cents a quart. Apple prices varied from 20 to 30 cents a quart, 50 to 55 cents a half peck and generally were 90 cents a peck. Variations depended on size, quality and variety.

Plums were 25 cents a box; lima beans, 35 to 40 cents a pint, 70 to 75 cents a quart; squash five and 10 cents; cabbage, five cents a pound; lettuce, 10 cents a box; carrots, 10 cents a bunch; crabapples, 35 cents a quarter peck, 65 cents a half peck; butter 70 cents a pound. Chickens continued at 55 cents a pound; peppers were five cents apiece, three for 10 cents; beets were 10 cents a bunch, three for 25 cents; cucumbers were two for five cents to five cents apiece depending on size. Cream was 40 cents a pint; cup cheese, 25 cents a pint; cottage cheese, 20 cents a pint; potato salad, 25 cents a pint. Bread, rolls, pies, and cakes were in an abundance with prices depending on size.

Red China Council Backs Formosa "Liberation" Plan

TOKYO (AP)—Red China's Government Council has unanimously endorsed Premier Chou En-lai's call for the liberation of Formosa and his warning that any who interfere face "all the grave consequences . . .". Peiping Radio declared yesterday.

The broadcast quoted Chou as saying the conquest of Formosa "is China's own internal affair; we will brook no foreign interference."

Peiping made it clear the warning was aimed at the United States.

Pulled No Punches
It was Chou's first major pronouncement since returning from the Geneva talks — and he pulled no punches.

Throughout his long and fiery speech there was one predominant enemy — "United States aggressive circles." The four words were as one. Even Chiang Kai-shek took second rating.

"The government of the People's Republic of China," Chou said, "once again declares that Taiwan (Formosa) is an inalienable Chinese territory, that its occupation by the United States absolutely cannot be tolerated . . . The liberation of Taiwan is an exercise of China's sovereignty and it is China's own internal affair; we will brook no foreign interference."

GREENMOUNT FIREMEN CAN PAY MORTGAGE

The Greenmount Fire Department took in \$4,000 gross receipts during its recent carnival and the net profit should be sufficient to pay off the mortgage on the fire house and provide a start for a fund for new fire apparatus. President Melvin Burton announced today.

Resumption of weekly corn games on Thursday nights, plus plans for a number of shooting matches are scheduled by the Greenmount firemen to help raise money toward the purchase of new equipment. With a more than 30-year-old truck as its only apparatus the company is seeking to be in position in the near future to purchase more modern equipment.

Another possible fund raising project listed by the Greenmount firemen is another pit barbecue—because of the success of the barbecue held in connection with last week's festival. The firemen sold 1,100 pounds of barbecued beef in less than four hours.

Better Than Other Years

Reports at a meeting of the firemen this week indicated that the \$4,000 gross receipts from this year's event was about \$500 more than (Continued on Page 3)

WHAT IS PUBLIC SERVICE ADVERTISING

Public service advertising is advertising donated by business men in the public interest. It began during World War I, helping to sell billions of war bonds and raising huge sums for the Red Cross. The famous Liberty Bond slogan, "Buy till it hurts!", and the Red Cross posters, representing some of the best advertising art, shortly demonstrated that public service campaigns are just as effective as commercial advertising.

World War II brought a new and even more brilliant chapter in the story of public service advertising. The Red Cross and war bond sales campaigns were resumed, and many new campaigns begun, including the salvage drives, and the successful public appeal to prevent forest fires. Altogether, more than a hundred public service campaigns were conducted by the War Advertising Council—now The Advertising Council—at the request of the government.

Mrs. Charles Lady's Rites Held Today

Funeral services for Mrs. Sarah E. Lady, 81, 268 1/2 S. Washington St., widow of Charles E. Lady, who died Wednesday morning, were held this morning meeting at the Bender Funeral Home at 8:15 o'clock with a requiem mass at 9 o'clock in St. Francis Xavier Catholic Church with the Rev. Fr. Anthony Kane, rector, officiating.

The pallbearers were Howard Flickinger, Bruce Taylor, John Emery, William Ziegler, John Small and David Bowling.

LICENSED TO WED

A marriage license has been issued at the court house to Gerald E. Miller, son of Mrs. Corinne E. McClellan, R. 1, and Karen Evelyn Koontz, daughter of Mr. and Mrs. Clyde R. Koontz, R. 2.

At the end of World War II, public service advertising was so firmly established that it was continued by the council, and today seems permanent. Aided by business men who contribute advertising time and space, the council now conducts public service campaigns in support of schools, church attendance, the Red Cross, Community Chest, recruitment of nurses, fire and accident prevention, and many other good causes. Public service advertising has become a unique system for getting things done without government compulsion.

Water witches are making

water wishes come true. Call it art or accident, science or superstition, but water witches and their tree-branch divining rods still play an important part in the hunt for life-giving water.

In fact, their skill continues to be in demand in this technical age just as it was centuries ago, according to tree experts.

Water witches, or dowsers, usually have their own favorite branches to use in their dowsing operations. Popular trees for water-hunting sticks include the apple, beech, willow, hazel, peach as well as many others.

While innumerable kinds of

forked branches can become magic rods in the hands of experienced dowsers, nothing will work for some would-be water witches who are not endowed with the necessary "mystic power." Holding his forked stick in front of him, the dowsers walks slowly over the area where he wants to locate water. When he reaches a spot where surface lies beneath the earth's surface, (Continued On Page 2)

Classic Car Club Due Here Monday

Borough police will form an escort for 20 touring antique automobiles Monday morning when the Classic Car Club of America is expected to pull into Gettysburg.

Police here will block off the meters on the eastern half of Lincoln Square as parking facilities for the visitors, some of whom will continue over the battlefield and through the National Cemetery.

The antique car fanciers, en route from New York City to Roanoke, Va., will arrive in Gettysburg about 9:30 a.m. Their departure at 11 a.m. will be on Lincolnway west.

MISS FLICKINGER

Evangelical and Reformed Church, Littlestown R. 2. The double-ring ceremony will be performed by the Rev. Archie C. Rohrbach, pastor of St. Paul's Evangelical and Reformed Church, New Oxford.

The bride will be attended by her sister, Mrs. Donald M. Appier, 32 E. Middle St., Gettysburg, as matron of honor. H. Bender Millar, New Oxford, will serve as best man. Miss Eileen Harlaub, church organist, will play the traditional wedding marches and present a 15-minute organ recital prior to the ceremony.

The bride, who will be given in marriage by her stepfather, Paul E. Chronister, will be attired in a ball. (Continued on Page 3)

PAYS \$5 FINE AFTER HEARING

Raff Jones, Gardners R. 2 farm laborer, paid a \$5 fine and costs Friday evening on a charge filed by Mrs. Dorothy Cotton, Flora Dale, that he used unprovoked profanity in front of her and several young children.

The hearing took place before Justice of the Peace Robert P. Snyder. Jones, out on \$300 bail, had been booked for disorderly conduct arising from a dispute over the hauling of a load of peaches to Philadelphia.

Mrs. Cotton charged that in the absence of her husband, "Raff drives up to the house and out of a clear blue sky he curses me, he does, while my sisters and others were standing around. I told him to go away but he sits there waving his arms and a-jumping up and down in that peach truck like he was about to jump on me."

Jones, whose plea of innocence was backed by a women passenger, said "I did not cuss at her. I just tells her I ain't about to drive no peaches to Philadelphia for her husband."

Justice Snyder, deciding against Jones, fined the defendant and advised the litigants to stay away from each other—"since there evidently is bad blood here."

FAIRFIELD TRUCK DRIVER IS FREE ON \$1,000 BOND

Ralph W. Masser, 44, Fairfield R. 1, posted \$1,000 bond Thursday on an involuntary manslaughter charge growing out of a tractor-trailer-car wreck on April 18, a mile east of Waynesboro.

Carl McMillen, 17-year-old son of Mr. and Mrs. William M. McMillen Sr., of 18 West Side Ave., Hagerstown, died of suffocation when the left front wheel of a tractor driven by Masser climbed into the back seat and crushed him.

Filed Before Zarger

Information against Masser charging involuntary manslaughter was filed before Justice of the Peace Shirley J. Zarger of Stoufferstown on Tuesday. Masser appeared voluntarily to post bond and will appear before the Franklin County grand jury in September.

The McMillen youth was killed as he and five other Hagerstown teen-agers were traveling eastward on Route 16. State police said Jack Anderson, 20, Hagerstown, slowed the car to about five miles per hour to avoid hitting a car in front which had slowed to make a turn.

Crushed To Death

It was then that the wheel of the Masser Pony Express tractor climbed over the trunk of the Oldsmobile convertible and crushed the youth to death.

Three of the five other occupants of the car received slight injuries. A coroner's jury meeting a week after the tragedy held Masser responsible for the fatality.

MANY REQUEST TAX APPEALS

The Adams County commissioners today made an appeal to people making appeals.

With the mailing of the new assessment cards to some 15,000 property owners, the commissioners are receiving a number of letters asking a hearing in September to appeal from the rate set for their properties.

The problem that is besetting the commissioners is the fact that few of those filing intention to appeal have listed where they live, or where the property is the assessment of which is being appealed.

As a result the commissioners are urging those planning to appeal to give them full information, name, address and the location of the property. In that way the commissioners can notify the owners when to appear for their hearing.

Many persons in the county have identical names and the commissioners have difficulty ascertaining where the appellants reside.

One taxpayer asking an appeal failed to sign his name.

Boy's Arm Broken In Fall On Friday

Ronald Stoner, aged seven years, son of Mr. and Mrs. Victor Stoner, York Springs R. D., suffered a severe fracture of the left arm at the elbow in a fall at his home Friday evening. He was taken to the office of Dr. William Flickinger, York Springs, and then to the Warner Hospital where he will remain for several days.

Ronald and a brother, Richard, were hauling ground with a wheelbarrow when the wheelbarrow slipped while they were crossing a plank and the boy fell three feet with the wheelbarrow landing on top of him.

Birth Announcements

Mr. and Mrs. Robert Carbaugh, Gettysburg R. 3, announce the birth of a son this morning at the Warner Hospital.

PASS WASHERS FOR QUARTERS; ARE TRIPPED UP

COATESVILLE, Pa. (P) — Two coins in the folder, fixed to hide all the slugs...

It was a good trick, good enough to net three Coatesville men some easy money for a while. But a wily bank teller finally tripped them up.

The three were arrested yesterday on charges of wrapping iron washers in coin folders and passing them as quarters at banks.

Each wrapped stack was capped at either end with a good quarter and contained 38 washers in between. Bank tellers exchanged the rolls for paper money—\$10 each—without checking further.

Luck Ran Out

Police said the trio passed the bogus rolls at banks in West Chester and Oxford, Pa., then tried their luck at the National Bank of Christiansburg, Lancaster County.

But a suspicious teller, whose name was not revealed, refused the transaction and noted the license number of the trio's car.

State police traced the license to Alfred J. Zazo, 20, a former basketball star at Coatesville High School. Sgt. Thomas Dooner of the State Police said Zazo confessed and implicated Anthony S. Chille, 25, and William D. Mann, 22, all of Coatesville. They were charged with obtaining money under false pretenses.

LEADER MEETS DR. MCLELLAND

PITTSBURGH (P)—A peace conference between State Sen. George M. Leader, Democratic candidate for governor, and Dr. William D. McClelland, the man he beat at the primaries, was held last night but no agreement was reached regarding the fall election campaign.

After the meeting, State Sen. Barr, state Democratic chairman, issued a 12-word statement. It said:

"We had a most satisfactory meeting. We're going to meet again Tuesday."

McClelland, who has not announced his support for Leader and the regular Democratic organization, said he had nothing to add to the statement. There was no comment from Leader.

Before the session, which lasted several hours, Barr said he was hopeful of achieving harmony within the Democratic ranks so a solid front could be presented by the party during the campaign.

Among those at the meeting, held at Barr's home, was Mayor David L. Lawrence of Pittsburgh, national Democratic committeeman from Pennsylvania. He was instrumental in the Democratic organization picking Leader as the party's gubernatorial candidate.

The Tuesday meeting will be in Pittsburgh.

In England, members of the Society of Dowders report good demand for their services. The Royal Engineers, during World War II, included a special company of dowders to assist in finding water for troops in arid regions. Their services were considered invaluable.

Engagement

Morales—Stock

Mr. and Mrs. Bernard Stock, 124 N. Stratton St., have announced the engagement of their daughter, Jean, to Claude R. Morales, son of Mr. and Mrs. Luis Morales, Jacksonville, Fla.

Miss Stock, a graduate of Gettysburg High School, recently was employed in York at the Caterpillar Tractor Company and lived with her sister, Mrs. John L. Kane, 229 Cottage Hill Rd. Her fiancé is attending Florida Barber College.

The wedding will take place soon.

Cabinet Enjoys Eisenhower Picnic

THURMONT, Md. (P)—The picnic President and Mrs. Eisenhower gave for members of the Cabinet and their wives featured hot dogs and ice cream, and everybody appeared to have a jolly good time.

The informal outing yesterday was at the President's secluded lodge here in the Catoclin Mountains.

After lunch came swimming, trout fishing, bridge and just plain loafing. Most of the wives and some of the men took a 25-mile drive with Mrs. Eisenhower to the historic civil war battlefield at Gettysburg, Pa., for a look at the home the Eisenhowers are building there.

The outing ended early in the evening after a buffet supper.

The President and his family plan to drive back to Washington tomorrow night.

TWO VEHICLES COLLIDE

Damage amounted to \$200 in a collision in Race Horse Alley in the rear of Wolfe Supply Co. Friday afternoon at 5:30 o'clock.

Police reported that a car driven east by John H. Dotterer, 248 York St. struck a vehicle operated by Edwin L. Walters, R. 3, as Walters drove out from Wolfe Supply into the alley.

Damage to the Dotterer car was estimated at \$125 and to the Walters machine at \$75.

Seek Increase In Legal Debt Ceiling

WASHINGTON (P) — Republican leaders today were reported ready to ask House approval, without change, of a proposed temporary hike of six billion dollars in the nation's legal debt ceiling.

The measure, approved yesterday by the Senate, differs from a 15-billion-dollar debt boost voted last year by the House. But if the House accepts the later version without change Congress would be that much nearer adjournment.

Sponsored by Sen. Byrd (D-Va.), the Senate plan would allow the government to increase the debt to 281 billion dollars, provided it is reduced to the present limit of 275 billions by next June 30.

CYCLIST IS INJURED

Six-year-old Leslie Shaneline, Carlisle St., suffered brush burns to her side and legs Friday afternoon at 4 o'clock when she fell from her bicycle while attempting to stop before the automobile of Dayle A. Meyers, Fort Wayne, Ind. The mishap occurred on S. Broadway.

IKE WOULD LIKE ANTI-RED BILL KILLED IN HOUSE

THURMONT, Md. (P)—President Eisenhower was pictured today as convinced a Senate-approved bill to outlaw the Communist party would make "propaganda martyrs" of Reds in this country. He reportedly will try to persuade the House to kill the measure.

An administration official familiar with the views of the President who is spending the weekend at his Catoclin Mountain lodge here, also told newsmen Eisenhower is in complete agreement with Atty. Gen. Brownell and FBI Chief J. Edgar Hoover on the matter.

Both men have opposed outlawing the Communists on the grounds it would drive them underground and make it much more difficult to keep track of them.

The administration source here, who asked not to be named, said the President or his aides probably will talk privately with House leaders in an effort to get the bill shelved.

Eisenhower will have an opportunity to do so Monday in Washington at his regular weekly meeting with Republican legislative leaders.

The bill to outlaw the Communist party was passed by the Senate Thursday night by vote of 85 to 0. Sen. Humphrey (D-Minn.) led the successful surprise move which combined the outlawing provision with another anti-Communist weapon, the administration does want.

Veto Seen Uncertain

That other section of the bill authored by Sen. Butler (R-Md.), is aimed at wiping out Communist-controlled labor unions. It provides that labor or business organizations determined by the Subversive Activities Control Board (SACB) to be Communist dominated would lose their rights under the Taft-Hartley labor law.

Humphrey's proposal would provide maximum penalties of five years in prison and a \$10,000 fine for persons who willfully join or remain members of the Communist party and commit any act to carry out party purposes.

Despite Eisenhower's reported opposition to outlawing the Reds, his aides declined to speculate on whether he would veto the combination bill if the House goes along with the Senate and approves it.

Motorist Strikes Cab Early Today

Only slight damage was involved this morning at 6:50 o'clock when a local taxi was struck by an out-of-town motorist in Lincoln Square.

Edward Bowling, cab driver, told borough police his vehicle was hit by Thomas Wesley Dawson, Muncie, Ind., "who apparently was looking for a restaurant" and did not see the taxi.

Damage to the cab amounted to \$25. The Dawson vehicle was not damaged.

Woman Starts Job As Dillsburg Postmaster

Mrs. Rhoda Hockenbury began duties Friday as acting postmaster of Dillsburg.

It reportedly is the first time a woman has headed the second class post office there. Mrs. Hockenbury, sworn in Thursday night by Postal Inspector J. P. Sherr, succeeds Roy Hartman, who resigned the \$4,800 a year post.

Recommended by Rep. S. Walter Stauffer, 19th district congressman, the postmaster is a former county committeewoman of the Republican party. The post office department is scheduled to hold examinations later for the permanent appointment.

HITS PARKED CAR

Joseph Mace, 111 E. Middle St., reported to borough police that his 1949 Buick was struck Friday night at 11:55 o'clock while parked in front of his residence. Mace said the motorist failed to stop. The left side of his vehicle was damaged.

100 AT PARTY MARKING CLOSE OF PLAYGROUND

Approximately 100 children attended the party on Friday afternoon at the community playground, held as an annual event at the close of the summer recreation program. Group games were played and refreshments, including buns and orange drinks, were served by Mrs. Kay C. Sentz and Clayton L. Evans, playground supervisors. The sweet buns were donated by the Capital Bakery.

The summer recreation program has been conducted daily for the last eight weeks, under the sponsorship of the Littlestown Borough School Board. During the program, the boys and girls engaged in various types of handicraft and learned many games. Special events were conducted and included: all-wheels day, a pet show, games day, umbrella show and hat show.

The Junior Fellowship of the Centenary Methodist Church will meet on Monday evening at 7 o'clock, at the church.

Mrs. Louis Kirkhofe will serve as hostesses.

Miss Carole Baumgardner, daughter of Mr. and Mrs. Carl H. Baumgardner, 8 Queen St., is spending two weeks at the Pine Grove Girl Scout Camp.

Wednesday dinner guests of Mr. and Mrs. Luther W. Ritter and family, E. King St., were Mr. and Mrs. Malcolm Schoenberg, Philadelphia.

VFW Ladies Picnic

Members of the Ladies' Auxiliary to the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars and their families, enjoyed a picnic at the Earl Weaver cottage, Abbottstown, on Thursday evening. A picnic-style supper was served to the 50 persons in attendance in charge of the August hostesses, Mrs. Mary Reigle, Mrs. Emily Hahn and Mrs. Ruth Dooley. Horseshoe pitching contests and fishing took place during the evening. Bingo was played by the group.

The auxiliary held a brief business session with Mrs. Geneva Harner, president, presiding. Reports were given by the secretary, Mrs. Helen Garner and treasurer, Mrs. Mildred Weaver. Miss Helen Jacobs gave the auditor's report. A contribution was voted to the field and track meet at Coatesville. It was decided that the organization will take orders for Christmas cards and also make salty-peanuts and sell them in the fall.

Plans were made to entertain eighteen children from the Scotland School on Saturday, August 21, at Red Bridge Park, near Chambersburg. A picnic will be served to the children and they will be entertained for the day. The auxiliary members will leave at 12 o'clock noon on August 21. Plans were also made to observe guest night and have a white elephant party on Thursday, Sept. 16. The following were appointed to serve as the hostess committee for the next

three months, Mrs. Hazel Harrison, Mrs. Doris Clapsaddle and Mrs. Margaret Baker. The next regular meeting will be held on Thursday, September 9, at the post home, W. King St.

Legion Meeting Held

Routine business was conducted at the semi-monthly meeting of the Ocker-Snyder Post No. 321, American Legion, on Thursday night. Commander Vernon J. Study presided. A report was heard from Adjutant Elmer W. M. Dutta. The next semi-monthly meeting will be held Thursday, Aug. 26, 8 p.m.

The Men's Brotherhood of St. John's Lutheran Church met on Monday evening in the Sunday School room of the church. There was hymn singing and the business period was conducted by George W. Streivig, president. Ronald Streivig, secretary, gave his report. These committees were appointed for the next meeting on Monday, September 13, at the church: refreshments, Noah Streivig, George Streivig and Gary Streivig; program, James Dutta and David Erb. At the close of the business, the group retired to the social hall where refreshments were served by George Streivig, Ronald Streivig and U. Ray Study.

Mission Society Meets

Mrs. Henry Barnes was leader at the meeting of the Alta Hummer Missionary Society of St. John's Lutheran Church, held on Thursday evening at the church. The Scripture was read and prayer offered by Mrs. Barnes, who also discussed the topic "Housekeeping in Different Lands." Mrs. Lloyd L. Staveland was pianist for group singing. A magazine quiz was conducted and the missionary benediction was repeated in unison.

The business period was conducted by Mrs. George Trump, vice president. Mrs. Albert Starnier, secretary, gave her report. It was announced that the quarterly collection of the thank offering will take place at the September meeting. Mrs. Paul Bowers was appointed leader for the next meeting on Thursday, September 9, at the church, when Mrs. Wilbur Hollenshead and Mrs. William J. Lipsey will serve as hostesses. Refreshments were served to the 14 members and one visitor in attendance on Thursday evening by the August hostesses, Mrs. Kathryn Hull and Mrs. Paul E. King.

MENDES-FRANCE GETS SETBACK; 3 MEMBERS OF CABINET QUIT

By HARVEY HUDSON

PARIS (AP) — Premier Pierre Mendes-France pressed on today with plans to push his version of a European Defense Community through France's National Assembly despite opposition which already has cost him three Cabinet ministers.

The Premier braced for another hurdle as he prepared to relay his proposals for a watered-down EDC to the five other prospective member states — Belgium, the Netherlands, Luxembourg, West Germany and Italy.

Mendes-France received a setback last night when three Cabinet members — a followers of Gen. Charles de Gaulle—resigned in protest against his EDC plan. They were Gen. Pierre Koenig, defense minister; Jacques Chaban - Delmas, public works minister; and Maurice Lemaire, reconstruction minister.

The De Gaullists helped win Mendes-France the premiership last June. Large sections of the Social Republican (De Gaulle) bloc voted for his confirmation in the Assembly.

Mendes-France said the three

would not be replaced at present. He called on three other Cabinet members to double up and take over the vacant ministries until the EDC debate winds up in the Assembly.

The Assembly is scheduled to begin debate Aug. 28.

Some Modifications

Fragmentary reports which leaked out of the Cabinet indicated that in general terms the following modifications were proposed:

1. Shorten the duration of the treaty from 50 years apparently to make it conform to the life of the North Atlantic Treaty which provides an escape clause with one year's notice after 1969.

2. Provision for re-examination and possible withdrawal of EDC members in case American and British troops are pulled out of Europe or Germany is unified.

Integration Of Forces

4. Extension of the transition period for putting the treaty fully into effect from three to eight years, instead of the present interim of 18 months to three years.

5. The integration of forces would apply only to advance elements. This presumably would avoid the possibility of having German troops stationed on French soil.

6. Increase the number of cases in which the EDC Council of Ministers must act unanimously thus, in effect, extending the right of veto.

Studebaker To Cut '55 Prices By \$100

SOUTH BEND, Ind. (AP)—Studebaker Corp. said it will reduce prices by about \$100 on its 1955 models.

The announcement was made yesterday, a day after workers at the big automotive plant voted to accept a 14 per cent pay cut in a move to save their jobs and the company.

The company also said it soon may obtain a "big volume" defense contract for guided missiles.

Smoked tongue, sliced thin and served cold, makes a fine addition to a cold cuts platter for a buffet supper. Be sure to cool the tongue in the liquid in which it was cooked if you want it to be moist and flavorful. Serve a big casserole of scalloped potatoes with the tongue and other cold meats; choose crisp crunchy vegetables to put in the go-along salad for texture contrast.

100 AT PARTY MARKING CLOSE OF PLAYGROUND

Approximately 100 children attended the party on Friday afternoon at the community playground, held as an annual event at the close of the summer recreation program. Group games were played and refreshments, including buns and orange drinks, were served by Mrs. Kay C. Sentz and Clayton L. Evans, playground supervisors. The sweet buns were donated by the Capital Bakery.

The summer recreation program has been conducted daily for the last eight weeks, under the sponsorship of the Littlestown Borough School Board. During the program, the boys and girls engaged in various types of handicraft and learned many games. Special events were conducted and included: all-wheels day, a pet show, games day, umbrella show and hat show.

The Junior Fellowship of the Centenary Methodist Church will meet on Monday evening at 7 o'clock, at the church.

Today's Talk

TREES
It would be difficult to name anything in nature that has been a greater blessing to all mankind than have the trees so familiar to us all. Our forests have preserved, and protected, millions of acres of land and have been of inestimable value in scores of other ways. I wish that they could always remain as they were in the days of those who first blessed them.

The wanton slaughter of trees is a prime crime. Unless it is absolutely necessary no tree should ever be destroyed. A town isn't matured until its trees are. What would New England be without its beautiful elms? There are trees that I talk to—pines, maples, and birches.

Trees have ailments, and become stricken just like human beings, but they have to bear it the best they can. Sometimes a tree surgeon can remedy some tragic happening in nature, but at others the tree has to be cut down, its outer glory a mere memory. In its healthy state, however, the contribution of trees is tremendous. Here are listed some of their uses:

Who has not sat before a blazing log fire and dreamed dreams, or conversed with friends on numberless topics before the warmth of such a fire during a chilly night? There was a stricken tree on my island this summer. Its back was broken, either by a fierce wind or it was hit by lightning—a great hemlock that was perhaps 150 years old, or more. I stood and looked at it and wondered. I finally had it cut and sawed for my log fires yet to be.

The very paper on which this Talk appears in print was once a tree! From tree pulp all newspapers are given the paper on which to spread their news, features, and advertising. Look at a piece of paper and imagine it as once a prosperous tree! I hope the day will come when trees will not have to be sacrificed for wood pulp for paper, that there may be some substitute and our forests preserved.

Blue and Gray Band Uniforms Lost In Blaze: The uniforms and several instruments of the temporary disbanded Blue and Gray band of Gettysburg were lost Thursday afternoon when fire destroyed a two-story frame building at the rear of the Harvey J. Bushman property, 33 South St., after leveling a one-story frame shed on the adjoining property owned by Harry J. Sneeringer, Hanover St.

A bass drum used by Mr. Bushman in the Blue and Gray band was destroyed and a bass and French horn, worth several hundred dollars were damaged so badly as to be useless. The 30 or more uniforms, worth more than \$1,000 when they were new, had been stored there rent-free by band officials.

SENATE SOCIAL SECURITY BILL PASSED QUICKLY

By ROWLAND EVANS JR.
WASHINGTON (AP)—Moving with unaccustomed speed, the Senate voted last night to broaden social security coverage to another 6,700,000 workers and to boost both benefits and the payroll taxes that pay for them.

Sen. Knowland of California, the Republican leader, said in an interview he expects a Senate-House conference committee to compromise quickly various differences so the bill can be sent to President Eisenhower, who has placed the legislation high on his "must" list.

Though the House and Senate versions of the social security bill differ in places, they also agree in most important respects.

Boosts Benefits
As passed, benefits would be boosted an average of \$6 a month for 6½ million persons now on the social security rolls. The annual amount of wages subject to social security taxes would rise from \$3,000 to \$4,200. This tax is at the rate of 2 per cent on both employers and workers.

Maximum monthly payments for retired individuals would rise from \$85 to \$108.50. For a couple the maximum would climb from \$127.50 to \$172.75.

The two houses parted company on restriction of supplemental earnings by retired folks.

Points of Difference
The House voted to allow social security beneficiaries to make up to \$1,000 a year, compared with the present \$75-a-month limit, without being penalized. The Senate put the top at \$1,200 a year and agreed to include in these earnings only what is received under employment covered by the social security laws. The House Bill would count earnings from any source.

The Senate also voted to lower from 75 to 72 the age at which all restrictions are lifted from outside earnings by beneficiaries.

Eisenhower had urged extension of coverage — now applying to 62 million persons — to another 10 million. He recommended that doctors be included, but neither house went along with him on that score.

There is considerable disparity in the types and numbers of persons who would be brought under social security under the Senate and House bills.

The House bill calls for coverage of 3,600,000 farm operators, about 400,000 professionals and 150,000 federal workers — all of whom were cut out of the Senate bill by the Finance Committee. Furthermore, the House bill would blanket in some 1,300,000 farm hands — about half the number provided in the Senate bill.

The Senate bill would cover some 3,500,000 state and local government employees and 260,000 clergymen on a voluntary basis, 250,000 domestics, 100,000 industrial home workers, 5,000 in the fishing industry and — added in amendments last night — funeral directors and missionaries outside the country.

Mrs. John Herschok, North York, whose husband has former connections in the York Springs area, has been chosen to teach the four and five-year-old youngsters this coming term at the nursery-kindergarten sponsored by the York Jewish Community Center.

Richard and Robert Nelson, Stanley Yohe, Carlos Rosenberg, David Isett, Stephen Black, Jack Shoemaker, Earl Wehler and Fred Marlow of the primary class of the Franklinton UB Sunday School were entertained by their teacher Paul Wehler recently at an outing to Rest-A-While Inn. COMEDY WILL OPEN MONDAY

The romantic comedy "French for Love" will open a one week run Monday night at the Totem Pole Playhouse in Caledonia Park.

The setting is the southern coast of France. The story tells of the idyllic existence led by Victor, a wealthy Englishman who has retired to his villa away from the nagging of his very prim and conventional wife, and away from his young daughter whom he has left in her care. The daughter's engagement brings the announcement that Amy and Gabrielle are coming to France to introduce the prospective groom to his future father-in-law for approval.

Victor, who blames his unhappy marriage on his inexperience with women when he was younger, tries to make certain that Robin, the fiancée of Gabrielle, is not making the same mistake. Victor advises him to meet some of the more "earthy" French women in order to gain a greater knowledge of the "ways of love." Robin misconstrues the advice and takes up with Victor's housekeeper, Hortense. Meanwhile, Gabrielle has become infatuated with Victor's rascally houseman, Pierre. The laughs come fast as Victor attempts to untangle the mess he has created.

The comedy will be presented nightly at 8:40 o'clock with a matinee Wednesday at 2:30 o'clock.

Mrs. Ferne Moul Shoemaker, Pine Run, who recently began a leave of absence from duty at the East Berlin Peoples State Bank, substituted there during the past week.

Reports are encouraging from the proceeds of the recent card party conducted at Dicks Dam by the local chapter, National Council of Catholic Women, whose members having cottages at the dam permitted their use by the public.

Gettysburg High School Starts Football Practice With Only 8 Lettermen

Gettysburg High School will field practically a brand new ball team when it begins its nine-game football season September 10, Coach Howard Shoemaker revealed today in announcing that the squad will report for physical examinations next Tuesday at the high school and will hold its first practice next Wednesday evening.

Only eight lettermen are scheduled to return to this year's gridiron squad, and only three have had experience in playing both offensive and defensive ball.

All told only eight seniors will be out for the squad this year and as a result the majority will be underclassmen and most will have little, if any experience.

The eight lettermen scheduled to return for duty this year include four seniors: Carl Westerdal, a center experience on both the offensive and defensive play; Ron Williams, a fullback who also has had experience on both types of play but who will be encamped with the National Guard at Indiantown Gap until August 28—just 12 days before the opening game; Ted Crouse, a guard, who is the other man experienced in both offensive and defensive play; and Charles Livingston, a halfback whose experience so far has been only on the offensive side of football.

The Juniors who are lettermen include Robert Bonduant, defensive guard; Fred Furney, offensive fullback; and Merle Gorman, defensive safety man. The long Sophomore among the lettermen is Joe Dearing, defensive tackle.

Without start, the squad is due for intensive training before it meets Westminster at that Maryland community on the night of September 10 for its opening combat.

The physical examinations next Tuesday are scheduled to start at 10 o'clock in the morning at the high school. The first practice is listed for 6:15 o'clock next Wednesday night.

The squad, despite its lack of experienced players, will face the usual schedule of the local high school.

Four home games are scheduled and five are tilts on other grids. The list includes Westminster, away, on September 10; Delone, at home on September 17. The other games, all to be held on Friday nights, follow in order, week by week: September 24, Carlisle, at home; October 1, Hanover, away; October 8, Waynesboro, at home; October 15, Shippensburg, away; October 22, Chambersburg, at home; October 29, Hershey, away and November 5, Mechanicsburg, away.

LOOP GAME LOST BY DILLSBURG

The West Shore league ended its season Friday with Mount Holly winning a 5 to 4 victory over Enola, Dillsburg dropping a 7 to 6 contest to Mechanicsburg and Lisburn defeating Marysville, 10 to 1.

Mechanicsburg's victory over Dillsburg gave it fourth place in the league standing for the year. Mt. Holly tied with Enola for second place in the league and the two teams will conduct a playoff for the position.

BRANCH RICKEY WILL QUIT HIS PIRATES IN '55

PITTSBURGH (AP)—Branch Rickey, general manager of the Pittsburgh Pirates, says he plans to quit his post next year but hopes to stay with the club as an unpaid scout.

Rickey, now on a Canadian vacation, made the statement when interviewed by the Associated Press. It came as he reviewed his 52-year baseball career, especially the time he has spent as head man with the Pirates.

"I will retire from active duty in November, 1955," Rickey said. "That was understood when I came to Pittsburgh. My contract so provides."

The 72-year-old Rickey was hired in 1903 at a reputed \$100,000 a year. The contract reportedly had an option which could be renewed for another five years if the club and Rickey agreed.

The Mahatma, who had much success with the St. Louis Cardinals and Brooklyn Dodgers, said he will continue to work for the Pirates "and without salary after the expiration of my contract, if so permitted." He added:

Plans To Scout
 "I intend to devote myself, more or less, largely to scouting until the time comes when I can sit in the stands and watch the team in the World Series."

Rickey is keenly disappointed with the Pirates. Despite all efforts the club has finished in last place the past two seasons and currently occupies the national league cellar. However, in the past two weeks the club has showed signs of improvement. Last night the Pirates swept a twin bill with the Philadelphia Phillies.

When he learned yesterday of his father's decision to quit as general manager, Branch Rickey Jr. declared:

"I am certain he will retire from active duty next year and devote his time to scouting for the Pittsburgh club. There's no better man in baseball than dad at scouting. Of course, if he remains with the club he will be consulted on trades, sale of players and other moves. His main work, however, will be scouting."

Young Rickey, who is vice president in charge of minor league clubs for the Pirates, said his father works 12 to 14 hours a day. "Another year at this tough pace, plus all the worries he has had, might prove damaging to his health," he added. "He realizes this and it's about time he slowed up x x x."

Latter's touchdown shaving the Lion lead to 17-6 only prompted another slashing pro drive, covering 67 yards and ending with Carpenter's second touchdown, a one-yard blast, also in the third period.

The final Lion score in the fourth quarter brought further humiliation to All-Star Coach Jim Tatum of Maryland as end Jim Doran stole the ball from Notre Dame's Neil Worden and romped 36 yards to score.

CISCO ANDRADE FIGHTS TONIGHT

PHILADELPHIA (AP)—Young Cisco Andrade, who in less than three years has advanced from an Army boxer fighting for \$8 exchange vouchers to seventh challenging lightweight in the nation, seeks his 26th victory without defeat here tonight.

The 23-year-old Andrade is scheduled to go 10 rounds against Philadelphia's Golden Abrams, former butcher boy who is advancing from the preliminary ranks to a nationally televised money shot.

The bout is part of the regular Saturday night TV boxing show (ABC) and will get underway at 8 p.m. (EST).

Andrade, born in Bell, Calif., of Mexican parentage, learned the boxing trade in the Army at Fort Ord Calif. He turned professional in 1932 and won 19 consecutive bouts over a two-year period. He was held to a draw by Babe Herman before running up his current winning streak to six.

College All-Stars Helpless Before Onslaughts Of Champ Detroit Lions; Pros Win 31-6

By JERRY LISKA
 CHICAGO (AP)—Two-plate-on or one-plate-on, the College All-Stars are helpless prey of the roaring Detroit Lions, two-time champions of the National Football League.

It was indeed an unlucky Friday the 13th for the collegians before 93,470 at mammoth Soldier Field last night as they took a 31-6 clanging from the ruthless Lions.

The efficient pros from the Motor City had been forced to play the limited substitution rule and junk their two-plate-on system just for this nationally-televised contest.

Same Story Last Year
 Last year, with free substitution prevailing, the Lions whipped the All-Stars, 24-10.

With their stellar passing quarterback, Bobby Layne, riding the bench all the way, the Lions pounced on the inept collegians for 17 points in the first quarter and then won as they pleased.

No. 2 Lion quarterback Tom Dubinski, directing only 24 other pros used by Detroit Coach Buddy Parker, called his shots with deft bristling defense that hamstringing the outclassed All-Stars.

Lion Fumble Helped
 When the All-Stars scored their only touchdown in the third period—on a five-yard end run by Notre Dame's Johnny Lattner—it was only because a Lion fumble on Detroit's five-yard line offered the opportunity.

In contrast with long, quick aerial scoring strikes which typify pro play, the Lions crunched the All-Stars with a smashing ground attack, three touchdowns coming on short plunges. The Lions' 14 first downs by rushing broke the game's pro record of 12 by the Chicago Bears in 1942.

After a fumble by Lattner set up a 36-yard field goal by another ex-Notre Dame star, Jim Martin, to start the Lion scoring, Doak Walker crashed five yards to a touchdown and Lew Carpenter bolted two yards for another to give Detroit its 17-0 first period lead.

Hpmilation For Tatum
 Lattner's touchdown shaving the Lion lead to 17-6 only prompted another slashing pro drive, covering 67 yards and ending with Carpenter's second touchdown, a one-yard blast, also in the third period.

The final Lion score in the fourth quarter brought further humiliation to All-Star Coach Jim Tatum of Maryland as end Jim Doran stole the ball from Notre Dame's Neil Worden and romped 36 yards to score.

TOSKI LEADS 'WORLD' GOLF AT HALF MARK

By CHARLES CAMBERLAIN
 CHICAGO (AP)—Bob Toski, who is built like a jockey but hits a golf ball like a Paul Bunyon, is convinced he is the man of destiny as far as Tam O'Shanter's biggest payoff in tournament history is concerned.

The 127-pounder, who will be 28 next month, confidently expects to pick up promoter George S. May's winning check of \$50,000 and sign a \$50,000 exhibition contract when Golf's "World" championship ends Sunday.

The locker room crooner, known affectionately by his colleagues as "The Mighty Mouse," splattered Tam's par 72 with a second round of 65 yesterday for a midway tally of 132—a dozen strokes off the regulation.

Best 36-Hole Total
 His 36-hole total was the best ever recorded since Tam tournaments started in 1941 and gave the little golfer from Livingston, N. J., who smacks 300-yard drives, a chance to crack Byron Nelson's 72-hole course mark of 269 set in 1945.

Nelson posted 134 at the 36-hole juncture in his record-breaking event.

The experts think Toski is not one to fold under pressure and his journey record for the season supports the belief.

In the midst of his greatest season on the money trail, he ranks third in PGA winnings with \$14,938 and has scored victories in the Baton Rouge, Wilmington and Eastern Opens.

Wolves Baying
 But he had a horde of money-hounds on his heels as today's third round started.

Veterans Johnny Palmer, 36, "World" champion of 1949, and the indomitable Dutch Harrison, 44, were only three strokes away at 135.

Bunched at 136 were Walter Burkemo, Jack Burke, first round leader Earl Stewart Jr., British Open champion Peter Thomson and unflinching George Fazio.

In all, 15 players were under 140, including All-American champion Jerry Barber and Al Bessellink at 137 and Belgian Flori Van Donck, Doug Ford, Henry Ransom, Jay Hebert and Lloyd Mangrum at 139.

Other Close Races
 Meanwhile, close races were in prospect for three other "World" tourney sections running simultaneously in the complex carnival.

Women pros, shooting for a \$5,000 first prize—Patty Berg, 144, eight under par; Louise Suggs, 148, and Babe Zaharias, 149.

Men amateurs—Arnold Palmer of Cleveland, 138, and Frank Stranahan, 141.

Women amateurs—"Wiff" Smith and Mickey Wright, each with 153.

Milwaukee's Wild Dash For Pennant Steals Show From Dodger-Giant Series; Nip Cubs

By BEN PHLEGAR
Associated Press Sportswriter
 Milwaukee's wild dash for the pennant has stolen much of the thunder from the current battle for first place between the New York Giants and the Brooklyn Dodgers.

By now the Braves have convinced the two top clubs that they are serious about this pennant business and the current three-game series in Brooklyn between the Giants and Dodgers finds both clubs looking over their shoulders for the onrushing Redskins.

They don't have far to look since the Braves closed to within ½½ games of the top last night with a 5-2 triumph over Chicago after the Dodgers had whipped the Giants 3-2.

Won On Homer In 9th
 Milwaukee came back from a sensational road trip and staged a dramatic homecoming for an enthusiastic gathering of 42,820 well-wishers. Trailing through seven innings, they tied the score at 2-2 in the eighth, then triumphed on Del Crandall's three-run homer with one out in the ninth.

The victory was the 18th in 20 games for the Braves who have made up 10 games on the front-running Giants in a month. Six weeks remain in the season.

The Brooklyn contest was a spine-tingler too, decided on a two-run homer by Carl Furillo in the seventh inning. Sal Maglie and Carl Erskine allowed a hit apiece through the first five innings.

Brooklyn broke into the scoring column first, getting one run on a pair of singles and a sacrifice fly in the sixth.

Furillo Homer Wins
 The Giants came back with two in the seventh on doubles by Don Mueller and Monte Irvin sandwiched around a single by Willie Mays. With a one run lead Manager Leo Durocher sent up a pinch hitter for the tiring Maglie and sent his No. 1 relief ace, Marv Grissom to the hill in the eighth. Gil Hodges greeted him with a single. Furillo followed with the game-winning homer.

Cleveland held its 2½ game edge over the New York Yankees with a 9-4 verdict over Baltimore. New York whipped Boston 8-2. Chicago shaded Detroit 1-0 in a brilliant 16-inning pitching duel between Jack Harshman and Al Aber. Philadelphia edged Washington 3-2.

In other National League action Pittsburgh thumped Philadelphia twice, 9-5 and 5-0 and St. Louis overpowered Cincinnati 10-8, scoring six runs in the last two innings.

259th Win For Feller
 Aber and Harshman went all the way in the Chicago marathon, each allowing nine hits. Harshman struck out 12 and gained the victory when Minnie Miñoso tripled with Nellie Fox on first in the 16th.

Bob Feller tamed the Orioles for his 259th lifetime victory. A five run first inning kayoed Bullet Bob Turley, a youngster whose fire ball is supposed to blaze like Feller's did 15 years ago.

Enos Slaughter belted a bases-loaded triple as a pinch hitter in the sixth inning for New York and Whitey Ford coasted the rest of the way for the Yanks' fifth straight victory. Slaughter's blast came with the score tied 2-2. Phil Rizzuto added a two-run homer.

Finds Public Only Mildly Interested In Criticisms Of Cars And Evaluations

By FREDERICK C. RUSSELL
Sometimes it's the loose nut that causes an automobile accident, but too often it's a tight one.

Car Criticism Stalling
Those who predicted that what motordom needed was criticism of cars such as we have of books and plays are currently shocked to realize that the public is only mildly influenced by some of the very sincere efforts at such evaluations of automobiles. It appears to point up the fact that there is no accounting for personal taste. What is the best buy to the critics may not be what you or I like at all. Of course we like to know if there are any special bugs in a car, but here again what is an annoyance to one driver may not trouble another.

Some observers believe that the lack of interest in criticism may stem from the current low state of critical judgment. Too often the critic is interested in attracting attention to his flippant use of the typewriter, or he may be trying to accelerate some development in which he has personal interest or "weakness." The public seems keenly aware that several top shows in New York which were panned by Manhattan's best reviewers have captured the public's fancy. I was one of the first to advocate critical reviews of new models in cars, and for some years felt that I was crying out in

the wilderness. Now the thing has been tried and apparently is found wanting.

One reason is that cars are up to performance and manufacture, a quite high standard of design. Styling varies for different tastes. Perhaps criticism will be more effective when the industry starts to chart some new courses which it will have to do in time.

What Type Lifters?
Since there are two basic types of hydraulic valve lifters on today's cars it is important to know what type you are flirting with if tempted to spend part of a vacation checking those on your car. The first is the removable type which has a body with a separate hydraulic unit. You can take out the unit for service, and in L-head design the body is left in the engine. One reason there has been less trouble with this older type as used in the older engines is because the body acts as a settling chamber to prevent large particles of dirt in the oil reaching the unit.

The integral type is a ball check design and usually features the barrel type body. Since the plunger operates directly in the body you have to discard the entire assembly if there is damage to the plunger or to the body.

Mechanic Joe Speaking:
"Now that we still are in the season where overheating can be quite a Waterloo it may be help-

ful to consider several easily overlooked points. A defective pressure type radiator cap may bring on motor fever. So will bent fan blades. A soft lower radiator hose will likely collapse when the car is operated at road speed. Defective thermostats are bad actors too. When one tourist started off after backing his car into an embankment for the night the engine immediately started to run hot. A roadside mechanic checked the tail pipe and found it badly clogged with mud from the embankment."

Variety of Causes
I am indebted to a reader for bringing out the point that what appears to be a reasonably simple trouble with a car can have any one of several causes. In one of my recent articles I had told a reader whose car was afflicted with the habit of slipping out of high gear that this might indicate over-inflated rear tires or looseness in the drive line, but in checking into a similar situation with his car another reader learned that this was due to need for replacing worn spacers in the transmission itself. One diagnosis he had received called for a new transmission. In all of this we did not mention the possibility of a worn shift lock in the transmission shifter rail assembly.

For That Touch-Up
If the car is painted black and you want to touch it up I suggest some black lacquer instead of black enamel. This provides more lustre and I believe that it stands the weather better. Only hitch is difficulty obtaining it. I started on quite a search when the paint stores could not supply me. Finally what I was looking for in an auto supply store. The dealer had a number of cans and while they showed signs of having been on the shelf for some time their contents were in good condition.

Inside the New Tires
Now that the leading tire companies have come out with the in their premium lines I feel justified in bringing to your attention the reason why these tires are so much stronger than those originally offered with plain nylon cord. In a new and highly interesting process nylon cord has been made as strong as a steel cord of similar size. Naturally it makes for an amazingly tough shoe that can be in tubeless form as well as conventional. I also understand that some of the weakness of nylon as a tire fabric have been eliminated in this process.

One of the causes of engine mis-

Roger Tuohy looks from behind bars at Stateville prison, Joliet, Ill., after only two days of freedom and facing possibility of spending rest of his life in prison. behavior — flashover — can be checked by remembering to keep the tops of the spark plugs clean. If they are dirty they may hold moisture, and this provides a path for high tension current to escape especially when the engine is first started on a damp morning. It also pays to be tidy about the ignition coil and the distributor cap.

Speed up Waxing
If you have been trying to get some wax on the car's finish, and you are at the seaside where the drying isn't too speedy, remember that you can overcome this obstacle by sprinkling a little corn starch on the polishing cloth. This will speed up the waxing job, assuming you are using paste wax. It is my understanding that this doesn't do quite as good a job, but it will at least save you a lot of physical effort.

Tip on Booster Brakes
Where power brakes are used,

and there is no reserve tank, be sure not to coast while there is need for stopping. If the engine stalls vacuum for braking ceases and you'll find quite a difference in the effort required to halt the car. I recently talked with a driver who got into this jam when he moved the selector lever to neutral while going downhill. The engine stalled and the brakes lost their booster power. He was smart enough to guess what had happened and immediately regained booster action by moving the lever back to the drive position.

Having Their Troubles
Q. What is the purpose of the shroud around the motor fan on some cars? H. L. K.
A. Some engineers feel that this helps "focus" air cooling on the radiator. The shroud also offers some protection against accidentally touching the fan when the engine is operating.

Q. Is the car's odometer accurate enough for purpose of checking gasoline mileage? T. T. R.
A. For any degree of accuracy the error should be known and taken into account. From recent checks many owners do not get as good gas mileage as they think they do.

Q. On a long trip I get quite a cramp in my right foot and leg. Have you any suggestions for eliminating this? The car has an automatic transmission. K. L. N.
A. You could use a left-foot accelerator so as to give the right foot a rest. An effective way to insure greater comfort when driving is to change the position of the seat cushion now and again.

Q. Whenever I have had the gas tank filled there is an annoying smell of gasoline. It isn't because fuel has spilled over. The cap seems to be tight. A. McB.
A. You are overfilling the tank. Expansion in hot weather forces some fuel to escape through the vent.

Q. Ran into quite a bit of trouble with the timing gears in the motor of my car. They became quite noisy, and upon close inspection we found they were badly etched. I replaced them with au-

thorized parts, but I am wondering if I am due for a repetition of this in time. D. L.

A. This is a plain warning to you to be more careful with the engine oil. The etching indicates that acids have formed in the oil in abnormal quantity. My guess is that you do not change oil often enough and the oil is always badly diluted. I would also check the piston rings and the automatic choke. There may be considerable gasoline and steam blowing down into the crankcase.

Q. What would cause the engine of my car to buck whenever I am running along with the throttle closed? This happens when I am sort of taking it easy so as to avoid having to stop at the red light ahead. Never get any suggestion of a buck or a miss when accelerating or at higher speeds. The engine also idles fairly well. T. V. Jr.

A. I think you will find that the idling mixture is too rich.

Q. There's a disturbing light clicking noise under the floorboards. I can check it by putting a little foot pressure on the clutch pedal. W. S.

A. The clutch's fingers are worn and are striking the inside of the clutch housing.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern St., West Hartford 7, Conn., and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

PENSIONS ARE COSTLY

WASHINGTON (AP)—The U. S. Chamber of Commerce, declaring worker wages can no longer be accurately measured by dollars-and-cents pay rates, estimated yesterday that employers pay out 20 to 25 billion dollars a year in pensions, insurance and other non-wage "fringe benefits."

In many cases, the Chamber said, employers and workers "preferred to have income reflected entirely or chiefly in the pay envelope" rather than in fringe benefits.

The School Bells Will Soon Ring Again

And Here Is Lesson No. 1
For You, Mr. Motorist—

BE A SMART, SAFE DRIVER!

1. Are your brakes good enough to stop your car in plenty of time?
2. Are your lights good enough to see clearly?
3. Does your speedometer register correctly?
4. Have you had your car checked for "Safetyability" by factory trained experts? If you cannot make "100" on these questions than its time to have one of the following Garages to check your car or truck.

P.S.—

The following Service Stations can also help you solve these Problems. They Specialize in LUBE - OIL CHANGE - CAR WASHING and WAXING.

Stop at these Adams County Garages and Service Stations real often and have a check-up. You'll be glad you did.

5 In Family Are Killed By Train

COAL CITY, Ill. (AP)—Five members of one family were killed last night in the collision of a speeding Santa Fe freight train and an automobile loaded with 10 persons.

The Grundy County sheriff's office said members of two Central City, Ill., families were crammed into the auto.

Deputies said the car drove through a wig-wag warning signal at the crossing on Coal City's main street, 60 miles southwest of Chicago, and continued directly into the path of the westbound train.

American mink ranchers marketed 2 1/2 million mink pelts in 1953 compared to 1,200,000 in 1946.

The first major human heart surgery to correct congenital defects was performed in 1936.

MORE RUNAWAY RED AGENTS IN U.S. ASYLUM TO DENOUNCE REDS

By WARREN ROGERS JR.
WASHINGTON (AP)—More run-away Russian agents are reported today to be standing by in guarded American asylum, ready to follow Yuri A. Rastvorov in denouncing the Soviet communism for which they spied.

The handsome, nimble-witted Rastvorov poured out his story last night to a dramatically assembled Friday the 13th news conference at the State Department.

After a lifetime under the Soviet system—he was 33 last month—the blond Russian said he was fed up. He ran away from his job as a Soviet intelligence officer in Japan last Jan. 24 because "I wanted to live like a decent human being."

"I hope I can become an American like other Americans," he said.

Rastvorov's sudden, unannounced appearance—the first actually was in American hands—apparently marked a shift in America's cold war policy.

The Russians opened propaganda fire with a splashy news conference in the Soviet zone of Berlin last Tuesday when Dr. Otto John, former West German security chief, denounced America and West Germany.

Hints At Next Step

Rastvorov, as he went into action in Washington last night, was living proof that Communists shift allegiances, too—even well-trained and highly skilled ones like this lieutenant colonel in the MVD Secret Police.

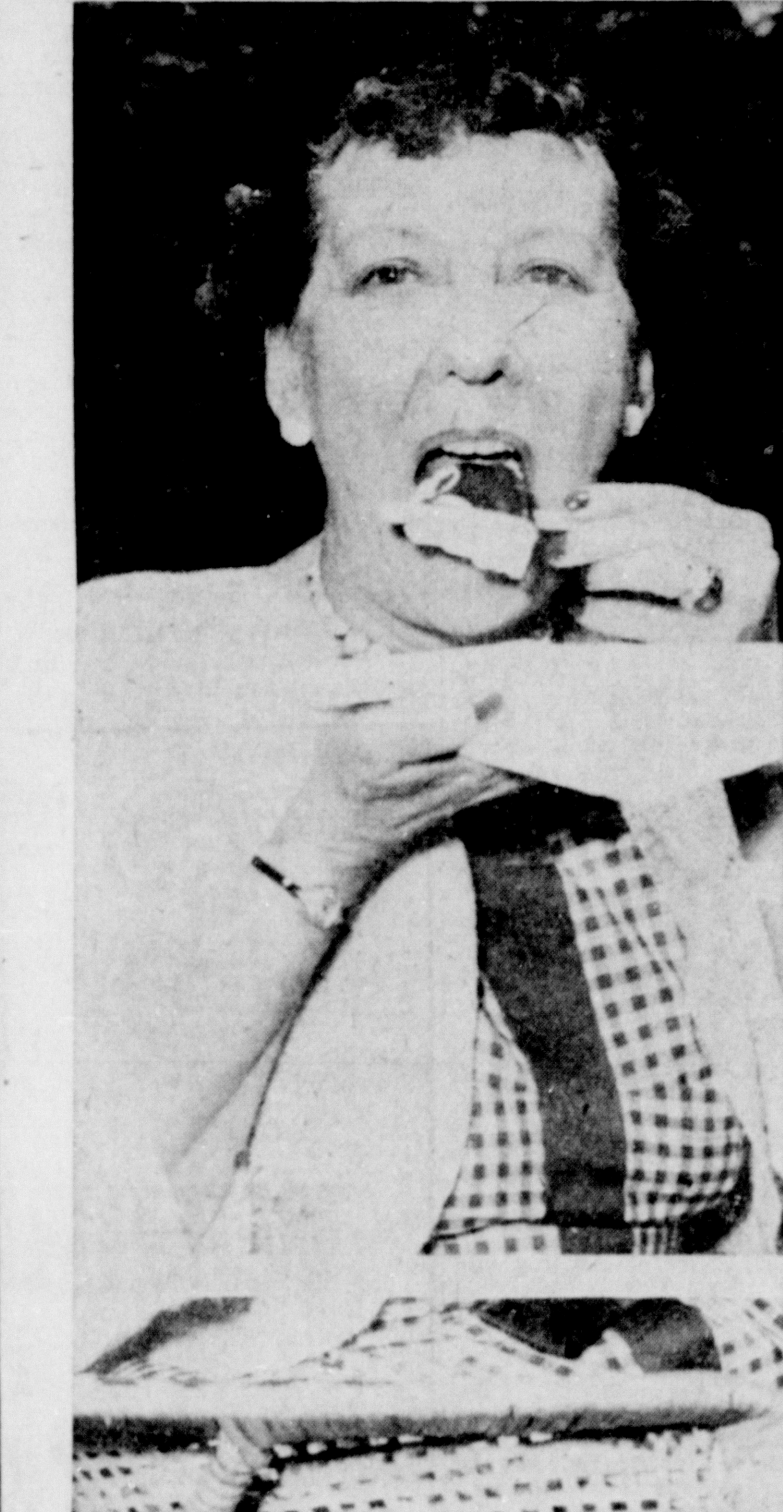

Rastvorov even hinted at step number two in taking the sting out of the John defection: Possible arrests of fifth column agents planted "medium-high" in the Japanese government.

But a veritable barrage of Rastvorov-type Russians, it was understood from State Department sources, would be produced by the U.S. government shortly. At least four other Russian intelligence agents are reported to be in American hands—although none of them has attracted publicity.

Mamie Shows Her Farm Home To Cabinet Officers' Wives

Mrs. Dwight D. Eisenhower explains to her guests, many of them wives of the President's cabinet members, how the picture window will look when renovations are completed at the Eisenhower farm house here. Mrs. Eisenhower and others stopped at the farm Friday afternoon on their way to the Chief Executive's Catoctin mountain lodge, Camp David, near Thurmont, Maryland. Left to right above are: Mrs. Eisenhower, Mrs. Herbert Brownell Jr., wife of the Attorney General; Mrs. Oveta Culp Hobby, Secretary of Welfare; Mrs. George M. Humphrey, wife of the Secretary of the Treasury; Mrs. Arthur E. Summerfield, wife of the Postmaster General; Mrs. Harold Stassen, wife of the Federal Security Administrator; Mrs. Sinclair Weeks, wife of the Secretary of Commerce; women in rear unidentified; Mrs. Ezra T. Benson, wife of the Secretary of Agriculture, and unidentified woman.

Mamie enjoys a popsicle.

Mother Of 3 Slain After Argument

CHESTER, Pa. (AP)—Robert Holland, 53, was under arrest today on a charge of fatally shooting Mrs. Lillie Mae Dockery, a 23-year-old mother of three children, in her home yesterday.

State police quoted neighbors as saying Holland came to the Dockery house and asked for another woman who has a room at the home. When Mrs. Dockery told Holland the woman was asleep, the neighbors said, Holland began to argue, pulled out a revolver and fired at Mrs. Dockery.

She was shot three times in the chest, neck and head.

Police Are Seeking 2 Escaped Convicts

BELLEFONTE, Pa. (AP)—State police today sought two escaped convicts who fled from work details in fields outside the Rockview Penitentiary compound.

Edward Gorman, 29, who was sentenced from Fayette County to 6-12 years for armed robbery, yesterday walked away from a group of prisoners working in a prison orchard.

Another prisoner, Robert Dongelli, 29, escaped in a similar fashion Thursday by leaving a work party in a potato field. Dongelli was sentenced from Westmoreland County in 1950 to a 6-12 year term for burglary, larceny and receiving stolen goods.
